

CITY OF GAINESVILLE IS POLLUTING OUR CITY WITH DANGEROUS TOXIC DUST!

Gainesville City's vast industrial *Public Works* complex further spreads the toxic dioxin and arsenic-laden dust, blown from Cabot-Koppers Superfund site immediately to its south, by additionally stirring up the fine airborne pollutants and carcinogens that blow into surrounding residential neighborhoods

FOR 4 YEARS NOW CITY MANAGER, MR. BLACKBURN, HAS REPEATEDLY PROMISED TO MOVE THE CITY'S ILLEGALLY SITED, OFFICIALLY NOISE-ORDINANCE VIOLATING, POLLUTING INDUSTRIAL EARTH-MOVING COMPLEX AT THE HEART OF OUR NEIGHBORHOODS. But ...

... IT IS *STILL* HERE!
